We ask that you read the following statements which outline the educational philosophy of Trinity Lutheran School and with your signature give your agreement to these statements.

1. - We understand that all students in every grade will be taught the Doctrines of the LCMS. We believe that the strength of our curriculum rests in the fact that it is Christ-centered and that the atmosphere under which it exists is based on the Christian faith and God's Word.
2. We will be faithful in attending the church of our choice and will take our children to church. Believing that the home, in addition to the school, is also a center for Christian education, we will carry out the responsibility that God has given us as parents to instruct, train and direct that growth of the children God has placed in our care.
3. We will support the faculty of Trinity Lutheran School in its endeavor to give the children a basic education in all areas of the curriculum. We will communicate with our children's teachers on a regular basis and will pray for them.
4. We will meet our financial obligations to Trinity Lutheran School as expected, according to its policy. If we are unable to meet these obligations, we will communicate with the school's principal concerning our problem so that a responsible solution may be found.
5. We will support the Parent Teacher League in its total programs/meetings and discussions with the faculty and assisting the PTL in meeting its financial commitments.

We, the undersigned, do hereby certify all information to be completed and factual, do hereby agree to fulfill all financial obligations, and agree to adhere to the policies and regulation as required by Trinity Lutheran School.
