Pastor's Pondering

By: James Hennig

Grace, Peace, and Mercy, be to you, from God, our Father, and from our Lord and Savior, Jesus Christ.

We have come to the end of our fiscal year, almost the end of summer, the beginning of a new school year, the on set of fall and cooler temperatures, the anticipation of harvest... it would seem as though, no matter when we look at the calendar, there are a host of endings and beginnings. Days begin and end, weeks become months then years, and time continues to move on with endings and beginnings.

Our lives as Christians are also in a constant flux of endings and beginnings. Here at Trinity, with a new school year, an interim principal, and new teachers... we look forward to proclaiming the Word of God to students and their families. In Church we look forward to the grace and every blessing God bestows on us through His Word and sacraments. In, and though His Words we see we are sinners, in thought, word, and deed; and there is nothing we can do about it. Yet in God's infinite mercy, He sent his Son, Jesus, to die our death, and give us new life; again an ending and a new beginning.

We will struggle with the death to our sinful nature, and new life in Christ continually. Perhaps it is time to take a new look at God's Law- the Ten Commandments, and see if there isn't something new to learn from them... God Bless and keep you always
